Starling – £100m Award

As at the end of March 2022, Starling has over 445,040 SME customers, exceeding its target of 396,000 SME customers by the end of 2022, resulting in a 8.0% share of the UK SME market. Starling remains open for new SME customers.

- Starling customers have benefited from the launch of a number of initiatives as a result of the CIF grant. Its key achievements to the end of March 2022 are as follows:
- Over 54,000 SME businesses have directly benefited from the £2.4bn of lending made available. Starling has launched advanced credit decision functionality to enhance its underwriting capabilities. Starling has already exceeded its 2023 cumulative CIF lending target of £913m.
- SMEs can supercharge their business banking activities through a range of new digitally enabled banking solutions, offering a range products and services including:
- Starling’s Business Toolkit helps freelancers and business owners look after their own books with smart features for invoicing, expenses, VAT and more.
- New Euro and US dollar accounts: allowing customers to hold currencies, spend on cards and make and receive payments.
- Business customers can pay in cheques using Starling’s cheque imaging initiative to scan and deposit cheques via their mobile device.
- SMEs are also benefiting from new digital led engagement channels:
- Our multi-director access initiative enables onboarding and debit card availability for additional directors.
- Starling’s SME web portal provides online banking from a desktop or laptop, or direct from their mobile device. Additionally, those who use tablets can use our tablet app.
- SMEs have access to Starling’s digitally-enabled support:
- Customers can use Starling’s proprietary internal chat system, providing them with 24/7 customer support for certain simple queries and tasks.
- Starling’s data-driven decision making intelligently matches customers with the right specialist for their needs.
- Starling’s innovative approach has enabled SMEs to access a marketplace of services:
- Starling’s Marketplace - working with 26 partners to offer products and services ranging from accounting to life insurance
- SMEs can easily compare key components of Starling’s products (e.g. price, fees, customer rating and eligibility) with those offered by competitors through the bank’s product comparison tool.
- Starling has supported its proposition with a range of Intelligent Tools:
- Customers receive tailored in-app suggestions via the “Starling Suggests” initiative.

Metro Bank – £70m Award

- In April 2022, we launched our Revolving Credit Facility product, helping larger, more complex businesses better manage cash flow peaks and troughs during this period of wider economic uncertainty.
- Since December 2021, we have been progressively rolling out our new Business Overdraft product across stores, helping our customers better manage their cashflow, providing

quicker access to funding and pre-approved limits. A critical foundation to deliver this enhanced SME lending experience, is our new digital credit platform, allowing real time automated credit underwriting.

- We launched our new Enhanced Foreign Exchange proposition – giving customers access to real rates via a new-and-improved digital journey.
- In August 2021, we opened our fourth new store in the North of England in Bradford. This follows openings in Manchester, Liverpool and Sheffield. 63 jobs have been created in the North of England, including 8 apprentices.
- In June 2021 - to further support the UK's small business community - we launched a Metro Bank SME brand campaign. The campaign focused on our dedication to helping small businesses thrive via the special relationship we have with our customers, and involved giving three Metro Bank customers their very own national advertising campaign.
- In March 2021, we launched in-app invoicing for business customers – allowing quick creation, tracking and management of invoices, all from within the Metro Bank mobile app. Customers can also add their business's logo to each invoice for additional personalisation.
- In February 2021 we began a phased launch of our business current account online application process for multi-director businesses, ahead of a successful public launch in April 2021.
- Over the first two years of programme delivery (2019/2020) we launched a range of new products, services and partnerships to better support SMEs.
 - Business current account online application process for single-director businesses.
 - Started offering Government-backed loans to our business current account customers. By the end of 2021 we provided 38k loans and £1.7bn to UK businesses.
 - New receipt management functionality into our mobile app, letting businesses capture and store receipts, which get automatically matched to the customer's transaction history.
 - A new partnership with Canadian fintech Sensibill to offer receipt management technology to SMEs via the Metro Bank mobile app.
 - Artificial-intelligence-led 'Business Insights' capability into the Metro Bank mobile app – helping businesses manage their cash flow and make more data-driven decisions.
 - A new partnership with Enterprise Nation, a leading provider of advice and expertise to small businesses in the UK. The new collaboration offers a range of benefits for Metro Bank's business customers, including a year's free membership to Enterprise Nation which would usually cost £99.
 - A new partnership with cloud accounting provider Clear Books, offering easy accounting software with free bank feeds and exclusive discounts to Metro Bank small business customers.
- And finally, throughout 2019 and 2020 we improved payments services for businesses with a range of new propositions.
 - Physical sweeping functionality, helping businesses to manage their liquidity with automated rules for transferring funds between their accounts.
 - We became a direct participant of Bacs, the Pay.UK-operated payment system, helping enable Direct Debit origination for business customers through a new partnership with Bottomline Technologies. This followed with an initiative to enable

Direct Debit origination, letting business customers create, automatically collect, and manage payments with their own customers via Direct Debit.

- 'MCash' our new on-demand cash collection and delivery service to support the 4.2 million UK SMEs that rely on cash.
- Trade Services capabilities – offering Letters of Credit and Documentary Collections.

ClearBank – £60m Award

- A leading SME challenger in terms of BCAs; creating a true SME first alternative to high street banks.
- Achieved c.6.4% market penetration attributable to Pool A (7.4% including Pool E); 411,338 members in total.
- Built significant awareness at 53% prompted brand recognition.
- In February 2022, ClearBank signed a legally binding agreement with each of Apax Digital, CFFI and PPF for several related primary and secondary transactions up to £175 million, subject to regulatory approval. Although these funds are not required to support the delivery of the CTBB proposition, it emphasises the impact within market.
- Step-change delivered advanced business financial platform functionality including advanced invoicing, digital tax and intermediated credit; first acquiring proposition being rolled out.
- Easier switching with expedited onboarding and trial switching for established business using open banking live; work on CASS is progressing.
- Integrated 16 SME solution partners.

Investec Bank PLC - £15M Award

We maintain strong progress in the development of our propositions and remain on track to achieve our public commitments. We are currently supporting over 4,200 clients through our new products, which we continue to build upon as we strive to provide market leading offerings and an out of the ordinary client experience for UK SMEs.

- We have implemented the first iteration of a new automated credit decision capability for new lending deal proposals. This is a significant step forward in our journey to provide a seamless, automated and straight- through lending experience for our clients and brokers. It will allow us to increase our reach into the SME market supporting more SMEs as we deliver a faster service to a wider range of clients.
- We have rolled out a new digital self-serve capability to our lending clients. This new proposition enhances our offering, allowing our customers to view and manage their accounts seamlessly online whilst significantly improving user experience. This provides our customers the convenience of managing their accounts more fully at a time and place of their choosing.
- We remain focused on supporting our customers through the current challenges. We have lent over £170m to over 1,000 SMEs under the Coronavirus Business Interruption Loan, Bounce Back Loan and Recovery Loan Schemes.
- For this project, we have directly employed 34 people to date, covering several essential product and technical delivery roles.

The Co-operative Bank PLC - £15M Award

In 2021, we delivered significant improvements for our SME customers and put in place the infrastructure for the sustainable development of our proposition. We have continued to grow our SME customer base and have seen excellent customer feedback from the new products and journeys that we have delivered.

- We launched our new mobile app in April 2021 and continued to make iterative improvements to this throughout the year. As at the end of 2021, 22% of our customers are already using the app, and we've processed over 1,000,000 customer payments through this new channel.
- We expanded our product range with the launch of a new business credit card, and enhanced the range of value-added services available to our customers with the launches of Business Insurance, Business Concierge and Incomeing, our Request to Pay app.
- We were confirmed as the UK's best rated high street bank for ESG credentials following the publication of our most recent ESG assessment by Sustainalytics, a leading, independent ESG and corporate governance research and analytics firm.
- We completed the launch of our new onboarding journeys, significantly improving our timescales for opening an account. The average account opening time reduced from 14 days to 6 days at the end of 2021, with the majority of applications completed in under 2 days. In Q4 2021, NPS for customers following this new journey was +63.
- We exceeded 100,000 BCAs for the first time, and as at the end of 2021 we held 104,000 BCAs. We have maintained our positive flow of customers as we continue to build our SME franchise.

Atom Bank - £10M Award

- Atom has responded to the challenge of COVID-19 and released its balance sheet to support the economy, with over £1.5bn of applications received for its secured lending CBILS and RLS products.
