COMMITMENT 2 – Commitment to Remove Friction through Open Access

We will allow businesses to use their existing third party BCAs on our platform. We will offer

- a) light frictionless onboarding using open banking,**
- b) only upgrade to full onboarding later when they source a KYCable product, e.g. a loan..**

Businesses will be able to transact via our platform and we will provide advanced access to,

- c) expense management,**
- d) invoicing,**
- e) accounting,**
- f) taxation features.**

There will be no need to move their existing BCA. This removes friction leveraging Open Banking, thus reimagining competition. This commitment will be implemented in stages and completed by the end of 2023. We will target at least 70,000 BCA embedders

On Track: The Open Access proposition featuring credit products, invoicing, expenses and accounting including taxation feature is live. Over 22k businesses have already connected their non-Tide business bank accounts to take advantage of these features. There is significant interest in this proposition, and we are confident that we will achieve the target by the end 2023.
